## Traditional Stainless

Our Traditional Stainless range combines modern and natural materials with the latest manufacturing technology to create timeless classics. Featuring weatherproofed hardwood handles and mirror-polished stainless steel heads, these digging and cultivating tools appeal to those who prefer the traditional look, but still want the rust-free, low-soil adhesion benefits.

# Traditional Stainless Range

Single piece of  
hardwood split to form  
a wishbone handle

The Traditional Stainless  
Range has been created by  
combining modern and  
natural materials to create an  
authentic and timeless classic

Weatherproofed  
hardwood shaft for  
greater durability

Mirror-polished  
stainless steel heads  
for rust resistance and  
reduced soil adhesion

# 10 YEAR GUARANTEE
