

EC-ESS25PS

1/4" Square Drive 25 Piece Socket Set

Packaged in a sturdy box and shrink wrapped for transit

Bit Holder (Adaptor)
Connect to the Ratchet Handle or Extension Bar to use the various 25mm Bits

50T Ratchet Handle
The Ratchet Handle in this set has 50 teeth on the drive gear, meaning that the handle must move 8° to engage the next tooth

100mm Wobble Extension Bar
These are extension bars with a slightly rounded drive square, enabling them to turn the socket whilst being connected at an angle. This means you can turn fasteners in awkward, hard-to-reach places

12 x Sockets (4 - 13mm)
The sockets featured in our sets are six-point hex, meaning that the sockets have six angles/faces inside the bolt end

10 x 25mm Bits:
TX 10, 15, 20, 25, 30, 40, PH2 x 2, Hex 5, 6

RRP \$49.98

Barcode: 5012095630005
